

The Lowdown on Roundup References

Part I: Glyphosate Discovery and Commercialization

View Part I Bibliography: <http://cehn-healthykids.org/bibliography-tag/lowdown-part1/>

Bayer, 2002, Glyphosate Herbicide Label, EPA Registration Number: 72155-16.

Charles M. Benbrook, "Trends in glyphosate herbicide use in the United States and globally," *Environmental Sciences Europe*, 2016, 28:3, DOI 10.1186/s12302-016-0070-0.

Dow Agro Sciences, 1999, Glyphosate Herbicide Label, EPA Registration Number: 62719-319.

Environmental Protection Agency, September 1993, "Reregistration Eligibility Decision (RED): Glyphosate," Office of Prevention, Pesticides, and Toxic Substances.

Franz, John E, 1974, "N. Phosphonomethyl-glycine Phytotoxicant Compositions," U.S. Patent 3,799,758.

Franz, John E., 1983, "Salts of N-Phosphonomethyl Glycine," U.S. Patent 4,405,531.

Micro Flo (BASF subsidiary), 1999, Glyphosate Herbicide Label, EPA Registration Number: 51036-312.

Monsanto, 1994, Roundup Ultra Herbicide Label.

Monsanto, 1996, Roundup Herbicide Label, EPA Registration Number: 524-445.

Monsanto, 2002, Ultra Max II Herbicide Label, EPA Registration Number 524-537.

Monsanto, 2005, Powermax Herbicide Label, EPA Registration Number: 524-549.

András Székács and Béla Darvas, "Forty Years with Glyphosate," 2010, in *Herbicides- Properties, Synthesis, and Control of Weeds*, edited by Mohammed Naguib Abd El-Ghany Hasaneen.

Zeneca Ag Products (subsidiary of Syngenta), 2000, Touchdown Herbicide Label, EPA Registration Number: 10182-437.

Part II: Regulatory Milestones

Charles M. Benbrook, "Trends in glyphosate herbicide use in the United States and globally," *Environmental Sciences Europe*, 2016, 28:3, DOI 10.1186/s12302-016-0070-0.

Environmental Protection Agency, May 24, 1973, Memo on Toxicology of Glyphosate.

Environmental Protection Agency, 1975, "Request for the establishment of final tolerances," for Pesticide Petition # 5F1536.

Environmental Protection Agency, July 1, 1977, Memo on glyphosate toxicology studies.

Environmental Protection Agency, November 13, 1979, Petition proposing the establishment of tolerance for residues of glyphosate.

Environmental Protection Agency, February 9, 1982 (1982a), Memo on Lifetime Feeding Study in Rats with Glyphosate, Office of Pesticide and Toxic Substances.

Environmental Protection Agency, September 3, 1982 (1982b), Memo on increase of temporary tolerances for glyphosate on soybeans, Office of Pesticides and Toxic Substances.

Environmental Protection Agency, March 4, 1985 (1985a), Memo on the Consensus Review of Glyphosate, Office of Pesticides and Toxic Substances.

Environmental Protection Agency, April 3, 1985 (1985b), Memo on glyphosate mouse oncogenicity study, Office of Pesticides and Toxic Substances.

Environmental Protection Agency, March 11, 1986 (1986a), Memo on Additional Histopathological Evaluations of Chronic Feeding Study of Glyphosate in Mice, Office of Pesticides and Toxic Substances.

Environmental Protection Agency, January 30, 1989, Memo on petition to increase glyphosate tolerances on soybeans, Office of Pesticides and Toxic Substances, Dietary Exposure Branch.

Environmental Protection Agency, October 30, 1991, Memo on the second peer review of glyphosate oncogenicity, Office of Pesticides and Toxic Substances.

Environmental Protection Agency, September 1993, "Reregistration Eligibility Decision (RED): Glyphosate," Office of Prevention, Pesticides, and Toxic Substances.

Environmental Protection Agency, March 2, 1994 (1994a), Scientific Data Review on Glyphosate and AMPA residues, Office of Prevention, Pesticides, and Toxic Substances.

Environmental Protection Agency, March 17, 1994 (1994b), Memo on Metabolism Committee Meetings on March 17, 1994 on Glyphosate and AMPA, Office of Prevention, Pesticides, and Toxic Substances.

Environmental Protection Agency, April 10, 1996, 40 CFR Parts 180, 186: Pesticide Tolerances, *Federal Register*, 61:70.

Environmental Protection Agency, April 11, 1997, 40 CFR Parts 180, 185, and 186: Pesticide Tolerances, *Federal Register*, 62:70.

Environmental Protection Agency, April 20, 1998, Glyphosate- Report of the Hazard Identification Assessment Committee, Office of Pesticides and Toxic Substances.

Environmental Protection Agency, December 2009, "Glyphosate Final Work Plan: Registration Review Case No. 0178"

Franz, John E, 1974 , "N. Phosphonomethyl-glycine Phytotoxicant Compositions," U.S. Patent 3,799,758.

National Research Council, 1987, "Regulating Pesticides in Food: The Delaney Paradox," National Academy Press.

Part III: Glyphosate Use
